## Activities

- As per the CEC Plan, CGS has visited an Elderly Home.
- CEC has conducted a **workshop for English high school teachers** from public schools. CEC planned the training in coordination with RELO. The workshop was given by Ms. Norhan Rahman on “Sheltered Language Instruction” that will take place in Issa Cultural Hall.

# Community Engagement Activities AY 2017-18

- Unwanted clothes Donation: a proposal for hosting a used clothes container on campus to facilitate to the students the donation of their unwanted clothes. This is done in collaboration with a Bahraini NGO that exhibits the clothes for needy families.
- **ART Trainings:** One mixed media art workshop was conducted by Dr. Hena Malalah, CAD representative, for special needs children. This was done in the collaboration with community service students (LAR 138).
- **RUW Hosted various community activities:** Southern Government Family Event, Breast Cancer Awareness Conference, and Sh. Naser Universities League. In addition to, giving the opportunity for school students to do their community service at RUW departments.
- **Tech Camp & Code:** Debugging the gender gap: Educational movie screening that was organized by the US department of state in collaboration with RUW. These 2 events were offered to the public as well as RUW community.
- **Sustainable Jewelry design workshop:** CAD conducting a jewelry workshop that was offered for RUW students and the visitors from West Virginia University. The workshop was facilitated by Dr. Shweta and Dr. Nessreen.
