

الجامعة الملكية للبنات
ROYAL UNIVERSITY FOR WOMEN

Master of Art in Drawing and Painting

Programme Educational Objectives

1. Provide students the opportunity to learn and communicate with the global art and culture arena.
2. Develop students' research, critical review, analysis, synthesis, and writing skills.
3. Equip students with the skills, knowledge, and understanding required to practice arts at advanced professional levels.
4. Enhance students' capacity to produce works of art that demonstrate innovation in concepts, formal language, and/or media.
5. Critically analyze the form and content of works of art, through interpretation and evaluation.
